Birthday Parties - Introduction

Ready to celebrate?

Devonport Gymnastics Club is pleased to offer Birthday Parties for a fun-filled and action packed 1.5 hours of party time.

What better way to celebrate than letting us host your big event in a safe, exciting and energised environment.

The **Birthday Child** receives the following special treats:

- A turn in our Bungee system (15 minutes will be allocated for the birthday child to bungee)
- A Devonport Gymnastics Birthday T - Shirt

Our Coaches

The coaching staff running your birthday party are here to provide a safe fun and energised environment. Our Coaches are all well trained to manage groups of children in varying ages from toddlers to teenagers.

A safe child-to-coach ratio will be adhered to for the party.

COVID-19 Safety

Everyone attending the party will be required to follow our covid safe plan.

They must sign in and sanitise prior to entering the floor area or party room.

Social distancing must be adhered to whenever possible.

The Party

Children will enjoy a wide variety of gymnastics activities and games and will be able to use all the equipment in the gym (with the exception of the bungee, which may only be used by the birthday child).

All activities will be under the direct supervision of the coaching staff. For the first hour our accredited coaches will run a fun-filled play based party, incorporating basic gymnastics skills into circuits and games. The remaining half hour will be spent in our Multi Purpose Party Room, for party food, presents and refreshments.

We welcome your family members to watch, however we do have to limit the number of adults on the floor and in the Grandstand to ensure we are adhering to social distancing. The Grandstand will hold 17 people, and if your child requires accompaniment on the floor, if this could be limited to 1 adult per child.
